

# University of Nevada, Las Vegas

## STEM/Business-ESL

### Summer Program

## Program Overview

This program gives international students the opportunity to study at the University of Nevada, Las Vegas (UNLV) for **STEM/Business-focused English knowledge**. Courses will be taught by professional professors or lecturers in their corresponding fields. The program includes UNLV courses, group discussions, tutoring, a final report, and more. This maximizes students' ability to experience the distinguished academics of UNLV in a short time period and improve individual knowledge. A certificate of completion and performance report will be awarded upon completion of the program.

## University Introduction

**University of Nevada, Las Vegas is a long-established public coeducational university, founded in 1957.**

UNLV is famous for areas of study such as history, engineering, environmental studies, hotel management, fine arts, and management information systems.

The university is ranked in the category of “high research activity” by the Carnegie Foundation. According to the Atlantic Monthly, UNLV has the most innovated MFA course in the United States and is ranked in the top 5 schools for Creative Writing PhD. Additionally, UNLV is famous for basketball, including training of stars such as Armon Gilliam, Reggie Theus, and Larry Johnson.

### **Top Research University Status:**

According to the Carnegie Foundation for the Advancement of Teaching, UNLV has achieved “very high research activity” status and is moving towards the top tier. This elite category contains only 120 universities nationwide. UNLV is the first university in Nevada to achieve this distinction.

### **ABET Accredited Programs** (ABET: Accreditation Board for Engineering & Technology)

- 1987: Civil Engineering
- 1987: Mechanical Engineering
- 1988: Electrical Engineering
- 1993: Computer Science
- 2003: Computer Engineering

## Program Results

### [Program Completion Certificate](#)

Students who successfully complete the program will receive a certificate of completion issued by the College of Engineering at University of Nevada, Las Vegas.

### [Performance report](#)

Depending on the attendance rate of student, the completion of course work, and the completion of the program, students will receive a performance report. The performance report reflects the grade, course time, length of course, and so forth.

## Registration & Enrollment

### Teaching Method

- Face-to-face teaching at the University of Nevada, Las Vegas

### Application Materials

- Proof of enrollment at your current school/college

### Enrollment Limits

Each course will not exceed 20-30 students. Classes are filled on a first-come-first-served basis.

### Deadline

The deadline to register is June 1

## Course Details

### Engineering/Business Focused English Course

#### Course Description:

This course is designed to aid students in improving their English speaking, listening, writing, and presentation skills. The course includes: daily speaking activities focused on using academic and engineering/business vocabulary; pronunciation and fluency-building activities; instruction on academic/professional writing; production of several academic/professional written assignments, instruction on presentation skills; “mini-speeches”, and/or the production of a final presentation (individual or group). Attendance will be taken daily, and active student participation, along with the completion of all assignments, will be used to determine students’ scores.

**Note: The course description is subject to change due to the selection and the instruction style of faculty.**

## Course Schedule

| Week           | Day | Time         | Description                          |
