About AIA

AIA is the largest independent publicly listed pan-Asian life insurance group – with a presence in 18 markets across the Asia-Pacific region. AIA's Vision is to be the world's pre-eminent life insurance provider. That is our service to our customers and our shareholders. AIA's Purpose is to help people live Healthier, Longer, Better Lives, in every community we live and work, with products and policies that don't just protect lives but help make lives healthier, longer and better.

About AIA Singapore

Having served generations of Singaporeans for close to 90 years since 1931, we understand what matters to them most – good health and being financially prepared for every stage in life. We care about our customers, and to support them throughout their lives, we help them plan ahead to ensure that they are protected financially, while empowering them to lead an active and healthy life so that they can celebrate more moments of joy with their family.

It is this commitment that led to our brand promise of enabling Healthier, Longer, Better Lives, propelling us to launch innovative solutions that truly supports their physical and financial wellbeing.

As we continue to innovate to meet our customers' long term needs, we look forward to being an integral part of their life journey, enabling them to live healthier, live longer, live better!

Taking Next Step To Advance Your Career By Attending This Internship Opportunity

Useful Information

Eligibility

You must be a current student aged 18/above and registered at a University and have completed at least two semesters (one full years) of college/university. You must continue to assume this status throughout the duration of the internship.

There are no formal prerequisites for this internship. Students are expected to have some basic preferred knowledge and / or strong interest in Business related area. As all activities will be organized in English, students should be proficient in the English language.

Fees

The program fee includes:

- Internship training, materials, certificates
- Site visits and activities
- 16 nights accommodation at a local hotel, twin room with air-conditioning and Wi-Fi service
- One-time miscellaneous fee includes international travel insurance, airport pick-up and drop-off service, daily coach service for the activities on the timetable.

Please note that fees stated do not include personal expenses (e.g., food, local transport on weekends within Singapore and entertainment) and return airfare between your originating country and Singapore.

Accommodation

Students will be stayed in a local hotel during the whole program. The air-conditioned standard twin room is fitted with a flat-screen satellite TV. The private bathroom includes shower facilities, a hairdryer and free toiletries. Tea/coffee facilities are available.
